ELECTIVE ULTRASOUND ACKNOWLEDGEMENT, WAIVER, RELEASE OF
LIABILITY AND HOLD HARMLESS

- Elective ultrasound: I **acknowledge** this ultrasound:

- (i) Is an **elective** procedure that I have voluntarily requested;
- (ii) Is not intended to take the place of a medical diagnostic ultrasound or any other test or treatment that has been or may be recommended by your healthcare provider; and
- (iii) Will not result in you obtaining, or in Baby In Me 3D Ultrasound, LLC, its owners, staff and employees reporting any medical information. _____ **Initials**

- Prenatal Care: I understand and acknowledge that standard prenatal care is essential to a healthy pregnancy. I **acknowledge** that:

- (i) I am under the care of a practicing physician/Obstetrician;
- (ii) Any and all concerns I may have regarding my pregnancy should be discussed by me with my physician/Obstetrician;
- (iii) **I will in no way seek medical advice or services of any kind or type from Baby In Me 3D Ultrasound, LLC, its owners, staff and employees;**
- (iv) **I understand that it is not appropriate to ask the staff of Baby In Me 3D Ultrasound, LLC, its owners, staff and employees any questions regarding the health and well-being of my unborn child; and**
- (v) **I understand, and consent to, that in the event of absent fetal heart tones, my OB will be notified.** _____ **Initials**

- Assumption of Risks: I **acknowledge** that there is inherent risk in any activity involving a fetus and there are potential risks in this type of activity. I understand that while ultrasound is believed to have no harmful effect on the mother or fetus, future research or other information may disclose harmful or adverse effects that are presently unknown. I hereby voluntarily assume all risk of harm or injury to me or my baby resulting from, or alleged to have resulted from, the services provided by Baby In Me 3D Ultrasound, LLC, its owners, staff and employees. _____ **Initials**

- Waiver and Release of Claims: I hereby waive, release, acquit and forever discharge Baby In Me 3D Ultrasound, LLC, its owners, staff and employees from any and all claims, expenses, demands, costs, causes of action, and other actions and liabilities, of any nature whatsoever, whether known or unknown, related to my visit (and future visits during this pregnancy) to, and the services provided by, Baby In Me 3D Ultrasound, LLC. I agree that neither I, the father of my baby or my baby shall have any right whatsoever to file any lawsuit or institute any other actions or legal proceedings of any kind or type arising out of or in any way related to my visit (or future visits during this pregnancy) to Baby In Me 3D Ultrasound, LLC, its owners, staff and employees. _____ **Initials**

- Photo Release: I give Baby In Me 3D Ultrasound, LLC permission to post or use any photos or recorded data for advertisement purposes. I understand no names will be posted or used with the photos. I **acknowledge** that publication, presentation or distribution of any video taken during the ultrasound session, not provided by Baby In Me 3D Ultrasound, is strictly prohibited. _____ **Initials**

- Picture Quality: I **acknowledge** that every effort is made to capture good quality images of your baby, **however we cannot guarantee the cooperation nor the position of the baby**. Sometimes if the baby's position is face down, i.e., towards your spine, it may difficult to see the baby's face. In this case, a one-time complimentary rescans can be scheduled. Every baby scans differently, depending on the gestational age, position, amount of amniotic fluid, placental location and mothers body habitus. However, we promise to make every effort to obtain the best images while using safe practices and procedures. If we are unable to get a good image of your baby, we have still provided the service of the 2D and/or 3D/4D Ultrasound thus we will not provide a full refund if you are unhappy with the results. _____ **Initials**

- Gender Determination: You understand that factors beyond our control may also affect the ability to accurately determine the gender of the fetus, and that Baby In Me 3D Ultrasound, LLC can provide no warranty or guarantee as to the accuracy of any such determination. In the case that the sonographer is unable to determine the gender due to the factors listed above, and/or incorrect dates, i.e., the baby's gestational age is not 14+ weeks, we have still provided the service of the 2D and/or 3D/4D Ultrasound thus we will not provide a full refund if you are unhappy with the results. _____ **Initials**

By signing below, I consent to have elective ultrasound services provided by a Baby In Me 3D Ultrasound, LLC sonographer who has had comprehensive training to assure the best image quality.

I have carefully read this acknowledgement, release, waiver of liability and hold harmless agreement and hereby acknowledge I fully understand and agree to its contents and that any questions I may have had, have been answered to my satisfaction.
